

RANDALL LAMB

ELECTRICAL ENGINEER – BUILDING ENGINEERING (San Diego)

Randall Lamb's San Diego office is seeking experienced and licensed Electrical Engineers (EE). These positions will provide engineering support for design and construction projects in the Architectural, Engineering and Contractor (AEC) consulting industry. The successful candidate will support projects in the Commercial, Education, Healthcare, Hospitality, Military and Science and Technology sectors. These positions require self-starters with the ability to work well in a team environment in our San Diego office, located in Mission Valley.

Qualifications:

- 2 – 5+ years' experience in construction industry required
- BS in Electrical Engineering or Architectural Engineering required
- Registered Professional Engineer License (PE) required
- AutoCAD experience required
- Revit/BIM experience desired
- LEED AP desired
- Excellent communication skills required

Randall Lamb Associates is a prominent multi-disciplined, award-winning firm offering integrated services that include mechanical, electrical and plumbing (MEP) engineering, LEED coordination, and sustainable design. With offices in San Diego and San Francisco, Randall Lamb professionals enjoy living and working in an environment with extensive cultural pursuits and year-round activities. We offer competitive salaries, excellent benefits, challenging work, a mentor program and a great working environment.

Submit cover letter and resume to TeamRLA@RandallLamb.com. No phone calls, please.
